

*Les imagimots
croisés*

CHARLEROI
BIBLIOTHÈQUES

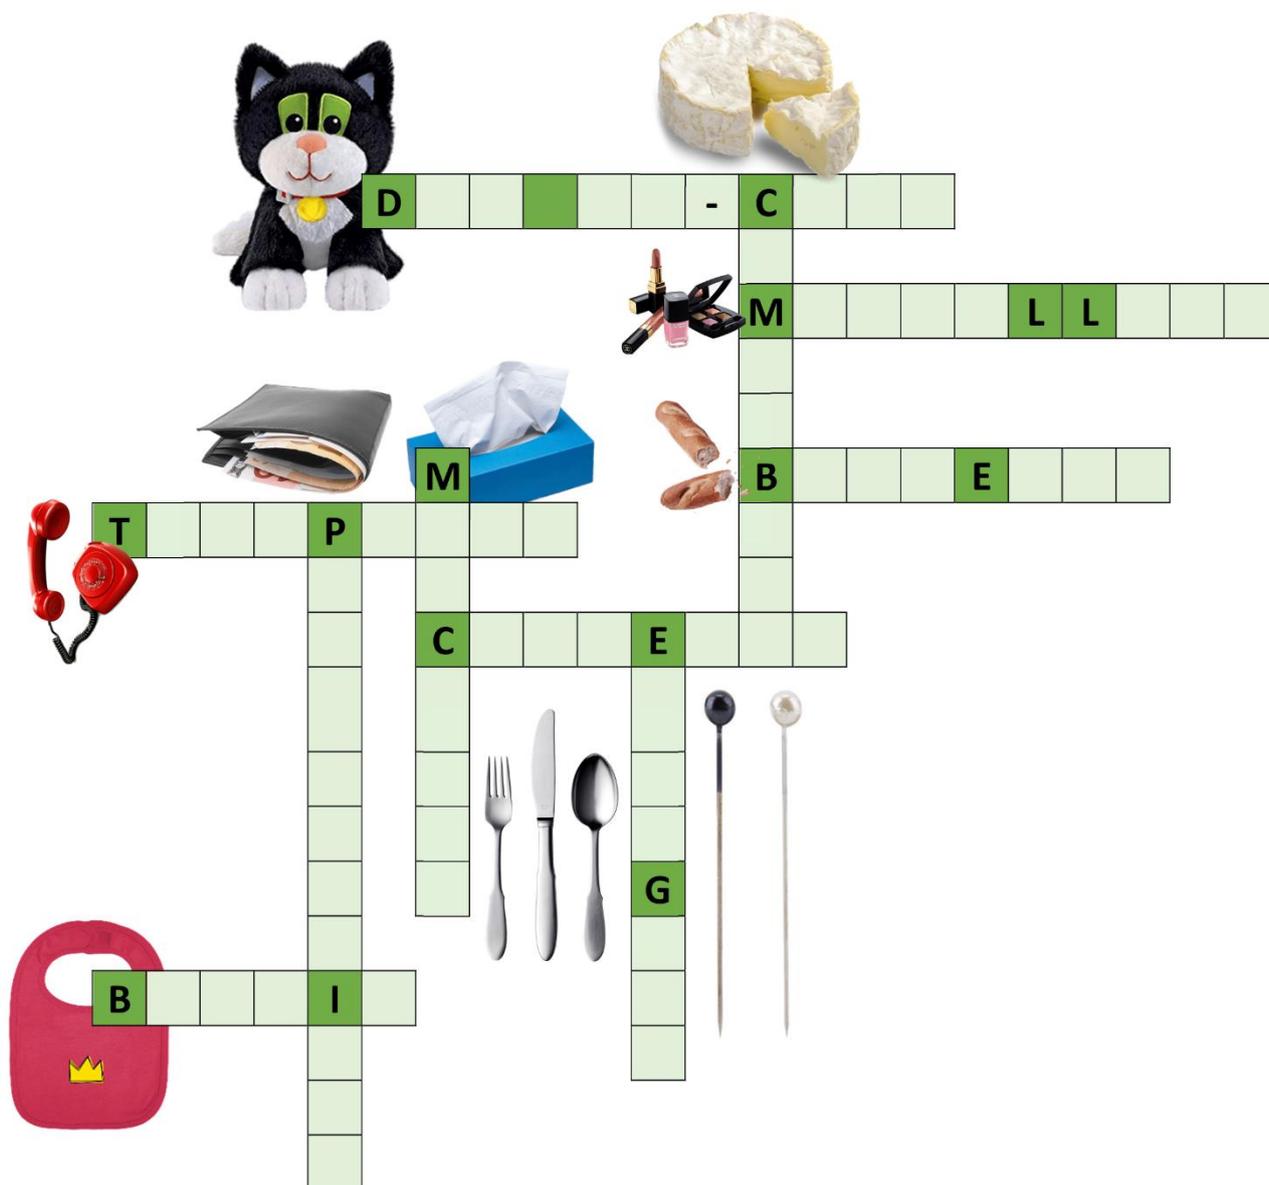

A raison d'une séance par mois, la bibliothèque A. Rimbaud a accueilli les apprenants de la Funoc de la classe de Mme Sylvine Launoy dans le cadre d'un partenariat entre les deux institutions.

Découverte, livres et jeux ont rythmé les ateliers qui utilisaient les imagiers et les jeux de lettres comme moteur pour aboutir à cette production à mi-chemin entre l'imagier et les mots croisés.

Chaque réalisation raconte une petite histoire au travers de son contexte. L'idée est simple, nous découvrons un contenant et ce qu'il contient. Les objets trouvés sont parfois insolites et nous montrent une vision fantasque de la réalité.
